Where can your language skills take you?

October 25, 2017  |  5:30 p.m. – 7:00 p.m. |  HUM 1-202

Do you know how you want to use your foreign language skills? Have you thought about a career in translation and/or interpretation, or localization? Don’t know the difference? Find out from Prof. Andrea Hofmann-Miller (Language Coordinator, German Translation and Interpretation), and Prof. Cas Shulman-Mora (Language Coordinator, Spanish Translation and Interpretation). All languages are invited – watch demos by MIIS students, ask questions, stay for refreshments.
