Learn Punjabi
Spring 2016

Take advantage of this great opportunity to immerse yourself in the mysterious wonders of Punjab, the land of five rivers, through its language Punjabi.

The Punjabi language will connect you with Punjab and its vibrant cultures, and geographical and social diversity. Enjoy learning via literature, audio, and movies.

Punjabi 1A
- In this course you will acquire a basic literacy in the Punjabi language by developing skills in speaking, reading, writing and listening to real life Punjabi cultural situations.
- This course can expand your career opportunities. Being multilingual serves as an asset in professions such as healthcare, education, and law.

NO PRIOR EXPERIENCE REQUIRED
